Ladies' Singles League

SPRING
2010

NEW PROGRAM

Ladies' Singles League Overview:

● **Spring Session:**

March 23 – June 15, 2010

13 Weeks

● **Time:**

Tuesdays — Noon to 2:00 pm

● **Cost:** \$240.

The Courtside Ladies' Singles league is an opportunity for players looking for a solid singles game and the chance to compete. Matches will be played using regular scoring during a 2 hour period. Players will play singles matches weekly that will challenge their skills and tennis abilities. The league schedule is set so that the time allotted for matches gives players excellent value for their tennis. By playing at a time that is not in demand, we can offer players a great price for great matches. This year, we have also added Courtside's new Tencap system. Using Tencap, the league schedule will be posted on the web and players will have the chance to see how they are doing relative to the rest of the league. The Tencap system will also allow players to track their results against certain opponents, as well as show how they are "trending" within their league.

Some features of the new Ladies' Singles League include:

- Challenging singles matches played each week.
- 2 hour matches with regular scoring.
- Great value for singles play.
- Tencap system will allow players to see results and track performance against other league players.
- Courtside will provide the balls, as well as organize and post the results both in the club and on the web via Tencap, so all you need to do is show up and play!

Price: \$240 for a 13 week session.
