Junior clinics begin at age 4 starting with our **PUPPY POUND** classes and go until age 18.

Our Winter season is 14 weeks and begins on December 3.

If you are looking for team play without the travel to other clubs then our round robin league is perfect for you. We will be organizing this round robin style doubles league. Mon., Thur., and Fri. Pay as you Go!

Cost \$30. per session. Courtside will provide balls and trophies for 1st and 2nd place teams. 3.0, 3.5, 4.0 levels Contact Ethel or Bobby at the club to register.

Junior UTR

CHALLENGER circuit

There is no Substitute for Match Play.

Getting organized match experience as a junior player is much more difficult to come by compared to other sports. The Junior UTR Challenger Circuit is a great way to get junior players match experience. They will be playing against many different types of opponents and will be better prepared in future match-ups. Match play at a young age is important to help implement skills learned through lessons, clinics and practice.

Every Sunday until March 13, 2022 Courtside holds match-play for junior players. There are different time slots assigned to different ages and levels between the times of 12:00 – 6:00 pm. It is a great way for junior players to get a better understanding of their current level and a great way to track progress.

MEN'S LATE NITE ACTION

Join the guys on Wednesday nights from 9:00 pm–10:30 pm. We have open doubles play with no commitment to attend every week. The cost is only \$27 to drop in and play. A new can of balls is provided each week.

Our own GM/Director invited to Naomi Osaka's "LYTE UP THE COURTS" event in Queens to unveil refurbished childhood tennis courts.

On August 26, 2021 our own GM and Yonex Captain, Steve Bork, was invited to help Naomi Osaka unveil her refurbished childhood tennis courts in Jamaica Queens. The event was held at Detective Keith L. Williams Park and hosted by Bodyarmor. Steve was able to spend time on court with Naomi Osaka, NBA All-Star for the Utah Jazz, Donovan "Spider" Mitchell Jr. and former CEO of the USTA and chair of the ITF Fed Cup, Katrina Adams.

"I have a new found respect for Naomi" Steve said. "She is a humble, down to earth person and was kind and outstanding with children". He added, "she made sure every child got the chance to meet her, even though her handlers were trying to get her to leave, she refused—it was an incredibly hot day and she was on court for hours."
